## SEASON OF CREATION 2024

*"TO HOPE AND ACT WITH CREATION"*

The Season of Creation has a special significance for the Catholic Church, particularly since Pope Francis established 1 September as an annual World Day of Prayer for the Care of Creation.

The Season of Creation is marked throughout the Christian world from 1<sup>st</sup> September to 4<sup>th</sup> October and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. It invites us to appreciate our world through the lens of God's love in the making of our world and in all our relationships in it. It is a time to attend to our world, to celebrate its beauty and respect its delicacy, and to join others in coming to its defence.

### *Pope Francis' Monthly Intention*

*For the cry of the earth:* We pray that each one of us will hear and take to heart the cry of the earth and of victims of natural disasters and climactic change, and that all will undertake to personally care for the world in which we live.
