The Feast of the Baptism of the Lord

Sunday 13th Jan 2019. Mass times for the Feast day will follow the usual Sunday schedule (see over).

We invite all families to celebrate this Feast day, reflecting on the importance of their own baptism: the day they were welcomed as a child of God.

We pray for all families in our parish community, especially those who had a child baptised in the past year and those who are expecting a new arrival.

We ask that all families, especially those "starting out" know they are as welcome in our Church today as they were on the day of their baptism; when they were welcomed into God's family.

We wish every blessing on the families who enrich our weekend Mass with their participation. As they grow in faith together, may they always keep God's love at the centre of their family life.
