SEASON OF CREATION : "RESTORING OUR COMMON HOME"

Today is the second Sunday in the Season of Creation.

A Prayer for our Earth.

All powerful God, you are present in the universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with your peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognise that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle, for justice, love and peace.

The Diocese of Derry is encouraging parishes, schools and families to reflect on what they can do to protect the environment around us all. One action we could each take during this Season is to plant a native Irish tree/plant. Visit www.derrydiocese.org for ideas.

Our common home, creation, is not a mere "resource". Creatures have a value in themselves and each one reflects in its own way a ray of God's infinite wisdom and goodness.
