

Count Your Blessings

If you woke up this morning with more health than illness, *you are more blessed than the million who will not survive this week.*

If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture or the pangs of starvation, *you are ahead of 500million people in the world.*

If you can attend a church meeting without fear of harassment, arrest, torture or death, *you are more blessed than almost three billion people in the world.*

If you have food in the fridge, clothes on your back, a roof over your head and a place to sleep, *you are richer than 75% of this world.*

If you have money in the bank, in your wallet, and spare change in a dish place, *you are among the top 8% of the world's wealthy.*

If your parents are still alive and still married, *you are very rare.*

If you hold up your head with a smile on your face and are truly thankful, *you are blessed because the majority can, but most do not.*

If you can hold someone's hand, hug them or even touch them on the shoulder, *you are blessed because you can offer God's healing touch.*

You are so blessed in many ways you may never even know.

World Mission Sunday

Next weekend our parish will celebrate World Mission Sunday. It's a way, chosen by Pope Francis, that gives support to those suffering within our Church family. On the 20th, every single parish worldwide will give what they can. It will be used to support overseas missionaries, many of whom work in some of the world's most impoverished communities. Your donation will be greatly appreciated.

A message from Bishop Donal McKeown

In response to the proposed introduction by Westminster of legislation on 21st October for unregulated abortion in the North - the Church leaders of Ireland have called for the weekend of 12th and 13th October to be dedicated to prayer for the protection of the unborn in our society and for women facing difficult and challenging pregnancies and their families.

1. A "Prayer for the Unborn" is printed on prayer cards and is available in the porches, for each household to take home.

2. Please support the online petition by Baroness Nuala O'Loan at Change.org (search for Nuala O'Loan).

3. Please contact your local MLA and ask them to take action to stop the introduction of unregulated abortion in Northern Ireland.

Thank you for your support at this critical time.

Pro-Life Adoration

Adoration every Monday evening in Christ the King Church, from 6-7pm, is offered for the protection of the unborn and for women facing difficult and challenging pregnancies.
