"DTIM" Parents Comment

"The DTIM programme has helped our whole family become involved in Emma's preparation for First Holy Communion. She looks forward to participating in the Mass and takes pride in adding to her prayer space. The child-centred and creative sermons delivered by our priests and deacon help the children and their parents and siblings to develop a deeper understanding of the significance of the sacrament; and of how to live out our faith in our daily lives. As a parent I am grateful that we have this effective programme supporting the growing faith of the families in our parish."
