

*Fathers* are wonderful people too little understood,  
And we do not sing their praises as often as we should...  
But *Fathers* are just wonderful in a million different ways,  
And they merit loving *compliments* and accolade of praise,  
For the only reason Dad aspires to *fortune* and success  
Is to make the family proud of him and to bring them *happiness*.  
And like our *Heavenly Father*, he's a *guardian* and guide.  
Someone that we can count on to *always* be on our side.
