# A Women of the Word

The Bible wore her imprint It's cover soft from use The pages rubbed and wrinkled The binding coming loose.

And even if this Christian And her Bible were apart She still would have it with her Hidden in her heart.

Oh make me such a woman, Lord Who hungers to be fed Who cherishes a line from You More than her daily bread.

And when my days are over May this be my epitaph "She longed to spend more Time with Him And now is doing that."
