

DERRY DIOCESAN PASTORAL PLAN 2018-2021

GOD IS LOVE

The Diocesan Plan sets out the path we hope to take in every parish throughout the diocese over the course of the next three years, focusing on three pastoral themes:
1. Building Welcoming and Inclusive Communities. 2. Be Disciples of Jesus Christ, Growing in Faith Together. 3. Work to make Jesus Known and Loved

World Mission Sunday is the one day in the year when every parish joins together in prayer and generosity to help support struggling mission dioceses around the world.

On this day, Pope Francis asks us to pray a little stronger and dig a little deeper so that faith, hope and love can flourish. Mission Sunday is therefore an appropriate day to remind ourselves that, because of our baptism, all of us are called to be missionaries every day. It is a call to bring the message of Christ to life in our workplaces and in our Churches, at our meetings and around our kitchen tables. Doesn't our world need to hear of hope and love and justice?

We may think that we are too weak or not "holy" enough for this mission; but we, like the apostles in today's Gospel, are not saints, but ordinary people. It was with these ordinary people that Jesus set out to, and succeeded in, changing the world. Jesus considered his apostles worthy of Christian mission and he considers us worthy too.

The 3-year Diocesan Pastoral Plan, which we have reflected upon for the last 3 weeks, is devised to equip and enable us in our parish to embrace and serve the mission of the Church in these changing times for the Church and for parishes. While parish life has to change to engage with changing circumstances, the mission of the Church does not change. The 'constant' for all of us in our fast-changing world is God's Word in the Gospels, which, 2000 years on, remains unwavering, unchanging. That is our starting point for implementing the Pastoral Plan in our parishes, and the only place from which to start.

The third theme of our Pastoral Plan is: **Work to make Jesus Known and Loved.** This is our mission. This theme is, in effect, the summit of the faith-journey which the Pastoral Plan invites us to take in our parish. The plan asks us to be a welcoming and inclusive parish community, growing together in faith and discipleship, with a 'mission' to **Make Jesus Known and Loved.**

In today's Gospel, we are told, "The Son of Man himself did not come to be served but to serve, and to give His life as a ransom for many". Jesus' teachings were always more than words – He taught by His own actions and example; He taught by His life of service. A life of service – seeking to serve rather than to be served – is central to our living out the mission of the Church. It is at the core of what it means to **Make Jesus Known and Loved.** We don't need to travel to foreign lands to do this. We can do it right here in our own parish. *This is our mission. This is the mission of our Church. This is our mission as parishioners of Cappagh Parish. Will you rise to the challenge?*
