

Autumn Blessings

by Deborah Ann

Autumn brings to the soul relief, as hot Summer days slip to an end
God sent the Season for weary hearts to restore, repair and mend.
Unlike the Autumn trees, that shed their changing leaves
God sent the season for falling hearts to adhere, embrace and cleave.
Just as with the Autumn winds, there comes a new refreshing rain
God sent the season for fraying hearts to increase, grow and gain.
The Autumn sun is slow to climb, and dips much earlier into the night
God sent the season for sleepy hearts to rise, shine and awake in His light.
God gave to us the Autumn season, so we have a respite and rest
for it is the season for our beset souls to see how much we are blessed!

Just For Fun...

Priests were plentiful and the parish was small but scattered. The trend had been towards having a very old parish priest and a young curate, who did most of the work. The parish priest died and was being buried. It was around Christmas and the winter was especially harsh. As the old mans coffin was lowered into the ground, a woman looking at all the priests gathered by the graveside, asked another “Which of them do you think we’ll be getting?”. The other looked and replied “Don’t be daft! The one we’re getting wouldn’t be out on a day like this!” (The Irish Catholic)
