*The love of the Father that gives us his Son,  
while the Holy Spirit is ever leading us to know more of the truth.*

God has a plan. He always had a plan. There was no time when there wasn't a plan to create the universe, to create every living creature, to create the crowning glory of the universe; mankind.

Why? Because God is pure love. Such love demands the plan. There is no hidden agenda. We are created out of this divine love solely to return this love to the Creator and in doing so to love one another. The divine circle of love, which is also the circle of the harmony of life.

Understanding the Trinity is to understand the revelation of God to us; in the form of the Father and the Son and the Holy Spirit.

Understanding each of the Three Person's of the Godhead, each Person in God's own time as He gradually reveals Himself to humanity enables us to slowly and systematically begin to understand why we are here and what kind of people we are meant to become; God's holy people as we are reminded time and again in the Old and New Testaments.

To reveal Himself all at once in the persons of the Trinity would have been too much for humanity to assimilate, therefore God's plan has been revealed to us over thousands of years drawing us even closer to Himself in pure love and into His image of moral likeness.

We have before us in the understanding of the Trinity all the revelation we need to have in knowing what God is and what God expects of us.
